

The Best Home Care

When It Matters the Most

National Seating & Mobility partners with SYNERGY HomeCare to provide our customers with a seamless continuum of care. Together, we collaborate to ensure our respective clients can live longer and more safely in the comfort of their homes.

Ask National Seating & Mobility to connect you with SYNERGY HomeCare for any of the following services:

- Personal Care
- Companionship
- Medication Reminders
- Transportation
- Meal Preparation
- Homemaker Services
- Transfer Assistance
- In-Home Respite Care
- Post-Hospitalization
- Accident Recovery
- Memory Care
- 24/7 & Overnight Care

A personalized plan of care

Home care services can be tailored to meet diverse needs, from a few hours per month to 24-hour care. Because every person has a unique situation, a personalized plan of care is created for comfort, peace of mind and well-being.

The most requested in-home care services include assisting with errands and transportation to appointments; meal preparation and light housekeeping; dressing, bathing, and companionship.

We prioritize safety for our clients and caregivers.
